Sandra lives in Ethelbert, MB with her husband Wayne. She has 2 grown daughters, a son-in-law and one adorable grandson and works full-time at the Regional Health Centre in town.

Sandra was diagnosed with breast cancer in June of 2002, at the age of 38 years old.

Since 2004 she has been participating in the CIBC Run for the Cure in Winnipeg and has a women's team of 10 family members ranging now from 21 – 85 (including her mother, sisters, daughters and nieces) "Team Pretty in Pink".

After being on my wish list for awhile, I finally joined Waves of Hope in 2012, to celebrate my upcoming 10 years of cancer free.
